

Train the Trainer

Date: Sunday 19 Nov
Venue: Pelorus House
Time: 8.30 – 4.30pm
Cost: \$250

The Swimming New Zealand Train the Trainer (TTT) Course is a great opportunity for senior swim teachers, pool deck supervisors, program co-ordinators and swim school managers to develop skills and understanding in effective training processes for staff. You will take away many tips and tools to support you in dealing with difficult situations, managing your staff training responsibilities, and your communication with customers and staff.

- ✦ The TTT course provides information to assist senior swim teachers to develop and deliver learning sessions for learning and training experiences within their team whilst understanding how adults learn
- ✦ This course assists participants in identifying their own leadership style and assists with identifying key aspects of good leadership
- ✦ TTT course provides information on how to provide feedback , assessment and evaluation in a range of settings
- ✦ Upon completion of the course swim teachers develop an understanding of safest attitudes and practices for establishing learning environments for adult learners
- ✦ TTT shows swim teachers how to link their lessons with Sport NZ's Physical Literacy approach, which considers a person's physical; social and emotional; cognitive; and spiritual needs.

To complete the award participants are required to:

- ✦ **attend a one day course participating in theory and practical learning sessions in the classroom**
- ✦ **complete pre and post course assignments**
- ✦ **be assessed by a Swimming New Zealand education advisor running a learning session**

Course pre requisite:

National Certificate in Recreation and Sport Aquatics (Swim Education)
